

UT Knoxville Student Sexual Misconduct Prevention Plan A YEARLONG CYCLE OF COMPREHENSIVE EDUCATION

SUMMER 2018-19

OUR CAMPUS COMMITMENT

The University of Tennessee is committed to creating and maintaining a safe and non-discriminatory learning, living, and working environment free from sexual misconduct, relationship violence, stalking, and retaliation. Grounded in the Center for Disease Control's social-ecological model, the university's Title IX commitment emphasizes five key areas—policy, prevention, support and interim measures, investigation and resolution, and patterns and trends.
